Jesse Linderman paid David Meister \$1100 to shoot Tonya Hart before Christmas, 2001. Meister purchased a gun from a fellow Pizza Pipeline employee, and paid more than twice the value of the gun. Linderman had given Meister instructions on how to shoot Hart, once in the face and once in the chest. Meister left his own residence at 10pm the night of the shooting, went to Hart's home and shot her when she answered the door. He fled the scene and disposed of the gun in a garbage can and later discarded his clothes and shoes. Police were able, however, to match shoe prints at the scene of the crime and along Highway 95 to Meister after the individual who sold him the gun told police what type of shoe he had been wearing when he bought it. Linderman initially did not admit to any involvement in Hart's death, but investigators believed he wanted to end their relationship and feared the reaction from Hart and her father.
